## **Follow-up Retreats**

**These mini retreats are a gift to those who have made retreats at Loyola and their guests.**

We will focus on deepening our understanding of and praying with Scripture. Input for prayer and time for private prayer will be given. The evening will end with Mass.

Themes we will touch upon:

- What is lectio divina, meditation, contemplation?
- How do we use imagination in Scriptural prayer?
- What are distractions, how to deal with them?
- How do I reflect on prayer and what role do human affections play in this type of prayer?
